

## Press Release

### WOLF-Garten – Weeding Brush

#### **Now Moss and Weeds Have No Chance!**

#### **Easy-to-use multi-change<sup>®</sup> weeding brush for comfortable upright use (and no backache!)**

**Cleaning between the cracks and crevices across large areas of paving stones is the worst job! Every single crevice needs to be cleared of moss deposits. Until now, squatting or kneeling has been the only way to complete the task – hour after hour. Thanks to the WOLF-Garten Weeding Brush now that's history.**

Removing moss and weeds is now just as easy as sweeping the street! Ease the strain on tired limbs – you can work at arm's length, instead of at ground level.

To remove all undesirable weeds, the metal bristles are angled exactly so that this device works into the smallest crevice. The Weeding Brush works with the WOLF-Garten multi-change<sup>®</sup> handle to suit the user, This little wonder from the WOLF-Garten multi-change<sup>®</sup> range is available in retail outlets from January 2009.
