

## Press Release

### MTD SMART Lawnmowers

## The new Power Packs

### Excellent Price-Performance Ratio

**MTD has expanded the SMART range to include four new petrol lawnmowers. The powerful garden aids are ideal for medium to large gardens with lawns of 1000 to 1500 square metres. They are impressive with their excellent price-performance ratio.**

If you have between 1000 and 1500 square metres of lawn to mow, you'll be hard pushed to do without a petrol lawnmower. And for this reason, MTD has designed the SMART range. There are now four new models for gardens from 1000 square metres – real power packs, and easy to handle.

They are driven by high-performance Briggs & Stratton engines. The SMART 46 PB and 46 SPB have an output of 1.7 kW, the SMART 46 SPBS has 2.0 kW and the SMART 53 SPBS has a good 2.3 kW. Their sheet steel housing ensures a long life while the fully foldable handle ensures comfort and compact dimensions for storage.

They work their way through the lawn with a 46 and 53 centimetre cutting width, respectively. The cutting height can be adjusted in six steps from 2.8 to 9.2 centimetres. The SMART 46 PB is also available as a pushed model. All the other machines are equipped with wheel drives.

## Press Release

The mowing options are 3-in-1. Discharge, bagging and optional mulching, and all with an impressive output.

All in all, the new SMART petrol lawnmowers have an excellent price-performance ratio.

More information about this topic is available from MTD Products AG, 66129 Saarbrücken.

MTD, the "Modern Tool and Die Company", with its headquarters in Cleveland, Ohio is one of the world's largest manufacturer of motorised gardening tools. MTD Products Inc. was founded in 1932 and is still family owned. MTD has manufacturing capacities in the USA, Mexico, Asia and Europe.

MTD offers every gardener – whether professional or hobby gardener – a product range from three brands on the European market; Cub Cadet, WOLF-Garten and also MTD, which covers nearly every application in the garden. Every brand makes its mark through individuality and unmistakable optic. All of the brands compliment a wide spectrum of seeds, fertilizers, hand garden tools and motorised garden tools; from electric lawnmowers to motor hoes and snow blowers all the way up to ride-on mowers and lawn tractors.
